

Habitat Restoration Program Technical Team
Meeting Agenda
February 11, 2009 1pm-4pm
Location: Resources Bldg/Room 1131

CALL IN LINE: 1-800-366-7242; code—93878#

Meeting Purpose:

- Establish draft habitat restoration recommendations for ROAs

Agenda Items:

1. Agenda Overview and Updates—20 min
 - DRERIP evaluations of physical habitat restoration conservation measures
 - Process for addressing terrestrial covered species
2. Establishing draft habitat restoration recommendations at this time provides information needed for:
 - conducting the BDCP impact assessment on covered species and natural communities;
 - initiating preparation of the BDCP EIR/EIS affected environment and impact sections;
 - improving BDCP public outreach by providing timely information that is of high interest to local governments, general public, and other stakeholders; and
 - developing habitat restoration conservation measure cost estimates.
3. Review of past work on habitat restoration opportunities—20 min
4. Discussion of draft SAIC “straw” habitat restoration recommendations—130 min
5. Next Steps and Action Items—10 min
